

Circular Letter No. 134.
April 29, 1914.

To Supervising Principals.

Gentlemen:-

Although the Department did not outline any courses in Spanish to be offered to the teachers of English during the present school year, I have the honor to inform you that elementary and advanced examinations in this language will be held on Saturday, May 16, at headquarter towns throughout the island for those American teachers who desire to take such an examination. This examination will be both written and oral, the former to begin at 9 A. M. and the latter to take place immediately after all papers have been handed in. The oral examination will be conducted by you, or by a principal teacher or a graded teacher designated by you. The questions for both of these examinations will be forwarded to you in due time.

Please report on or before May , the number of teachers who wish to take the elementary and the number of those who wish to take the advanced examination in Spanish in your district.

Yours very truly,

E. M. BAINTER

Commissioner of Education.
